

MIXMATE® PRICE LIST

The price of a MixMate Polymer Feed System is determined by its Mixer Element size code and the number of flowmeters employed. Please order by the complete part number shown in the Model Numbering Guide, and find the price by adding together the System and Options you would like to have from the tables below.

SYSTEMS					
Description	M02	M03	M07	M10	M20
BASIC SYSTEM with <u>No</u> Flowmeter	\$ 495	\$ 495	\$ 495	\$ 495	\$ 995
